

City-Wide Spine Fellows Journal Club/ Spine Research Update Meeting

Tuesday January 20, 2015, 6:00pm-9:00pm
Faculty Club -Upper Room, 41 Willcocks Street

6:00pm	Cocktail	
6:30pm	Opening Remarks (U of T Spine Program Co-Charis: Dr Michael Fehlings/ Dr Albert Yee)	
Spine Research Update Meeting		
6:33pm	Introduction	Dr Carlo Ammendolia
Trainee's Presentation & Discussion		
6:35pm	<i>Metastatic Epidural Spinal Cord Compression: Clinical Prediction Model</i>	Dr Anick Nater
6:42pm	<i>Research Update</i>	Dr Simon Harris
6:50pm	<i>Assessing microarchitecture and function of the human spinal cord with next-generation MRI</i>	Dr Allan Martin
6:58pm	<i>Evaluating CSM through Novel Sensitive Upper Limb and Gait Assessments: Elucidating the mechanisms of disrupted manual dexterity and locomotion in humans</i>	Dr Sukhvinder Kalsi-Ryan
7:06pm	<i>Investigating the association between effectiveness of an educational brochure for cervical spondylotic myelopathy (CSM) patients and their socioeconomic status</i>	Dr Florentina Teoderascu
7:14pm	<i>The development of a national spine fellowship curriculum</i>	Dr Jeremie Larouche
7:22pm	<i>Closure of the intervertebral disc annulus fibrosus using a novel suture application device – in vivo porcine and ex-vivo biomechanical evaluation</i> & <i>Fellowship level education in spine: a fellows perspective</i>	Dr Antony Bateman
7:30pm	<i>Research Update: 1. Laminoplasty vs. Laminectomy/fusion for CSM, 2. Development of a new OR evaluation tool</i>	Dr Carlo Santaguida
7:38PM	<i>UofT Spine Program Research Update</i>	Dr Chandan Mohanty
7:46PM	Concluding Remarks	Dr Carlo Ammendolia

City-Wide Spine Fellow Journal Club (Dinner @ 7:30pm)

Fellow's Article Review & Discussion

7:50pm	Introduction <i>Health Economic Studies, An Introduction to Cost-benefit, Cost-effectiveness, and Cost-utility Analyses.</i> Peter D. Angevine, MD, MPH, and Sigurd Berven , MD	Dr Simon Harris
8:05pm	<i>Cervical Degenerative Disease, Systematic Review of Economic Analyses.</i> Matthew D. Alvin, MBA, MA, Sheeraz Qureshi, MD, MBA, Eric Klineberg , MD, K. Daniel Riew, MD, Dena J. Fischer, DDS, MSD, MS, Daniel C. Norvell , PhD, MS , and Thomas E. Mroz , MD	Dr Carlo Santiguida
8:20pm	<i>Is Minimal Access Spine Surgery More Cost-effective Than Conventional Spine Surgery?</i> Daniel Lubelski, BA, Kathryn E. Mihalovich, BS, Andrea C. Skelly, PhD , Michael G. Fehlings, MD , James S. Harrop , MD , Praveen V. Mummaneni , MD , Michael Y. Wang , MD , and Michael P. Steinmetz , MD	Dr So Kato
8:35pm	<i>Role of Prospective Registries in Defining the Value and Effectiveness in Spine Care.</i> Matthew J. McGirt, MD, Scott L. Parker, MD, Anthony L. Asher, MD, Dan Norvell, PhD, Ned Sherry, BS, and Clinton J. Devin, MD	Dr Cliff Lin
8:50pm	Concluding Remarks	Dr Simon Harris
9:55pm	Closing Remarks (U of T Spine Program Co-Charis: Dr Michael Fehlings/ Dr Albert Yee)
