Hybrid

Monday | April 17, 2023 | 7:30 AM (EST)

In-Person | Sunnybrook | Room EG-61 (McLaughlin Lecture Hall) | E Wing, Ground Floor  **Map**

Adriaan (Ian) Vlok, MD

Head of Division Neurosurgery & Chief Specialist
University of Stellenbosch &
Tygerberg Academic Hospital
South Africa

“Challenges faced in spinal training and service delivery in a third-world public service environment and how to solve them”

Learning Objectives

Participants will learn the following

- The service delivery burden in a South African public service
- The effect of Covid on spinal training in comparison to other pathologies
- How to build a sustainable spinal outreach program.
- How does technology impact the surgical competency

 **live-streaming**
