### Dr. Brian Wong
Sunnybrook Health Sciences Centre

**Toronto Orthopaedics**
Leadership. Innovation. Impact.

**Sunnybrook**
HOLLAND BONE AND JOINT PROGRAM

LEARNING OBJECTIVES:
By the end of this presentation, participants will be able to:
1. Describe the burden of safety events in Canadian healthcare
2. Identify situations when a safety event has occurred and determine when disclosure is warranted
3. Follow a structured approach to communicating with patients and families about safety events
4. Recognize how disclosure supports a culture of safety that leads to system-level improvements

Hybrid Meeting
